

Parent Volunteer Opportunities

There are many ways you can help with *The EDGE*. You can help as little or as much as you like, but everyone should help in some way. It takes a lot of people to make this program run. Here are some of the opportunities to help:

Job	Number of Volunteers Needed	Time Commitment	Description
Team Leader	40	6:30-8:45 on Sunday nights during the school year plus a few minutes each week to read about the week's lesson planned.	Team Leaders are assigned a group of 8-10 kids, all from the same grade, who you will mentor for the year. Normally, we do NOT pair parents up with children. It allows the child to still have some "freedom" in the program. Your task will be to meet with them as a group, for approximately 20-30 minutes each week and hold a discussion or perform a task. All materials, including discussion questions (and answers), topic materials, supplies, etc. will be provided for you ahead of time.
Team Leader Substitutes	10-15	6:30-8:45 on Sunday nights during the school year as needed (approximately 6-8 times a year).	Needed for Team Leaders who are unable to attend due to scheduling conflict or illness.
Kitchen Crew	15-20	5:00-7:30 on Sunday evenings, once every 6-8 weeks.	Help prepare and serve snacks that will be served each week from 6:30-6:45. Includes preparation and setup of the facility before EDGE and kitchen clean-up after snack is served.
Environment Crew	16-20	8:30-9:00 PM on Sunday evenings, once every 4-6 weeks.	Help put away tables, chairs and partitions after EDGE on Sunday evenings.
Chaperones	20-25	As needed for social nights and for service projects. Time and Day will vary according to event. Will be assigned to work 2-3 events for the year.	As needed to set-up, facilitate, supervise and clean up for special events such as service projects and social events.
Office Help	5-10	1-2 hours per week as needed. Day/time TBD.	Help put together activities, materials and handouts for EDGE sessions. Must be available during the day.
Technical Support	3-4	During EDGE events, as needed. Some at-home work.	Take photographs and videos during an EDGE night. Help with electronic equipment set-up during special events.
